

ATI TEAS® SmartPrep™

Test Prep from the people who created the Test.

ATI TEAS® SmartPrep™ is an online tutorial customized just for you. Each of the four content modules begins with a diagnostic test that helps you understand what you know – and what you don't. Then, SmartPrep creates a personalized study plan based on your results.

Whether you are preparing for the TEAS or seeking to improve your original TEAS score, SmartPrep is the only customizable, self-directed, TEAS prep solution on the market. Aligned to the ATI TEAS exam blueprint, SmartPrep prepares you to succeed in the subjects that lead to better TEAS scores.
