Director of Nursing & Health Occupations

IMMUNIZATION REQUIREMENTS

All VCTC Practical Nursing Students are required to provide documentation for the following immunizations & screenings as part of the admission process.

All documentation is due by July 15th unless otherwise indicated.

IMMUNIZATIONS

Documentation must provide dates of vaccines -OR- dates and results of titers indicating immunity for the following immunizations:

Measles/Mumps/Rubella

Chicken Pox (Varicella)

Hepatitis B Series (typically 3 injections)

Documentation must be provided for the following immunizations:

Covid 19 Vaccine series & boosters (student required to provide copy of vaccine card)

Tetanus (Tdap) within the past 7-10 years

Influenza (*due by October 1st each fall)

SCREENINGS

Documentation must be provided of the following screening:

Tuberculosis 2-part skin test (PPD)- This must be a 2-part test that involves two skin tests performed 2-4 weeks apart.

If you have ever had a positive TB skin test, or have received the BCG Vaccine, you are required to submit the results of a QuantiFERON Gold blood test, a T-Spot blood test, or a Chest x-ray that was taken within the past 5 years.

******Please note that students will not be allowed to enter the practical nursing program without the required documentation requested above by the due date indicated. There will be NO EXCEPTIONS to this policy.***
