

HOW TO CREATE A NEW ACCOUNT

If you are not a current user on www.atitesting.com, you must create a new account to access the student portal or to make a purchase from ATI's online store. Follow the steps below to create a new account.

From the atitesting.com home page, click **Create Account**.

The Sign In Info page displays.

On the Sign In Info page, enter the account information that you will use to sign in to your account or to recover your account.

You must enter valid information into all the fields on this screen before you can proceed.

If your entry is not accepted, an error message similar to the one pictured below will display.

Reenter your information. When your entry is accepted, the message will disappear.

After you have entered all your account information, click **Continue** to go to the Security Questions page.

On the Security Questions page, select three different security questions, one from each list and enter your answer for each. Be sure to record your questions and answers for your future reference, in case you need to recover your account or you cannot remember your password.

Click **Continue** to enter your personal information.
